Your task is to place on the continuum the speech expressed on these shirts in what you believe to be their appropriate place. Speech that you believe strongly about should go at the extremes and speech you not as sure of more towards the middle. Use circles.

1st
Amendment

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Create your own shirt that is different than the ones above and would fall 5-4 on either side of the continuum. Don't pick one that is an obvious violation.
